Guidelines

- You will have a game on all available weekends (Saturday or Sunday) plus a week night game at least 2-3 weeks of the season.
- The **ONLY** valid conflicts are those where you cannot field a team with at least 8 players or if you are coaching another PSA team. If you are coaching another PSA team we will try to resolve conflicts but it is not always possible.
- Due to time constraints, we will not be able to honor any conflict requests received after the league specific deadlines shown above.
- We will take conflicts into consideration when rescheduling rainouts/make up games; however, please be aware that we may not have the flexibility to honor all conflicts due to field availability.
- We will do our best to honor all of your conflicts; however, we cannot guarantee the schedule will permit it.
