LITTLE LEAGUE

The RPO Experience

Established in 1956, Royal Palm Orange-wood Little League is a family oriented, non-profit program operated entirely by volunteers from our community.

We would like to share a few testimonials from our Members:

“Every year, being in RPOLL has offered us opportunities to meet new neighbors, make new friends and grow deeper roots in our community. We all love the game of baseball, but in addition to the sport and competition of the game we believe

the Little League Program holds an even higher purpose... with so many life lessons learned every season.”

“... we spend countless hours at the RPO fields... it's important that our kids look back on these Little League years with fond, positive memories. The investment is worth it. We are proud to be a part of the RPOLL community.”

“Thank you so much for your hard work and dedication! It is obvious that you plan and prepare the whole year round for Little League season! I loved the literature we received in the mail last season - so professional and informative!”

“... you create such a positive atmosphere for our children, it really brings the community together. Thank you.”

“... The experience has been fantastic for our children as well as an opportunity to really become involved with our community!”

“... I believe Little League embraces all the positive aspects of a community - it's fun, it's positive, it involves the whole family, you really get to know your neighbors, it's a healthy alternative to video games and it teaches our children many important lessons about character. “

“We heard about RPOLL from a friend. When the day came to sign up, not only were we able to get our daughter on a team... My wife and I were given the opportunity to lead our T-Ball Team as Manager and Team Rep. We were amazed at how many Team Parents offered to help as additional Coaches and Reps. The League asked us to contribute, and we then asked parents. We learned that this "volunteering" is what makes the League such a success.”

“Looking back on the 2008 Season, we are now so glad we volunteered. The League has truly allowed us to bond as a family and create new relationships within the community. This kind of experience is invaluable to the development and growth of our youth!”

“It takes a very dedicated group to run the show and seeing how hard they worked made me, as a parent, want to volunteer and work alongside them. I was also able to witness several encounters with RPOLL Board and League sponsors. The sponsors seem to be every bit as dedicated and vested in RPOLL as any of us.”

JOIN US!

We invite you to join us in our 52nd year of playing ball at the Royal Palm fields located at 8520 N 19th Ave in Phoenix. By affiliating with R POLL you are providing the children of our community with a proven leadership program dedicated to the development of the whole child.

Your donation helps us ensure a positive baseball experience for our children by providing equipment, uniforms, supplies, field maintenance, safety supplies, and much more.

As an individual or local business sponsoring R POLL, you will benefit by being recognized for your goodwill and support of youth baseball. For less than the price of a full-page ad in most publications, you can broadcast your message, every day, to the hundreds of people who visit the R POLL fields.

With hundreds of active players every season, the exposure and touch points we offer both the players and their families is substantial. These programs have been created to keep our fans abreast of what's going on in the League as well as specials made available by our sponsors.

In exchange for your support, R POLL offers many benefits depending upon the package you select.
